

**PORTABLE X-Ray FLORESCENCE LEAD-IN-PAINT ANALYZER**

19

**MANUFACTURER LIST**

**This list is not an endorsement of any particular instruments.** This is merely a list of known portable x-ray fluorescence lead-in-paint analyzers that has been assembled as a courtesy to those individuals interested in obtaining more information from any particular manufacturer. Any omissions of manufacturers are strictly unintentional. Any manufacturer may be added to the list by providing the Childhood Lead Poisoning Prevention Program with the appropriate information. Prices were obtained directly from the manufacturer and may change or vary.
